

CEDAR TERMS OF SERVICE

Last updated: 08/18/2026

Welcome to Cedar. We built this platform so people on older devices and low bandwidth setups in mind, meant to give them a place to post and chat

By creating an account or using Cedar, you agree to follow these terms. If you don't agree with them, then access to the site is forbidden.

1. Age Requirements

You must be at least 16 years old to use Cedar. We do not allow accounts registered by anyone under 16 and if we find out an account belongs to any such user, we will delete it and clear its data immediately.

2. Your Account & Security

- You are responsible for keeping your login credentials secure.
- Don't share your accounts with someone else, or pretend to be someone else.
- If you notice a security vulnerability, please report it at **report@cedarsocial.xyz**.

3. Content & Community Guidelines

You own the rights to the text, links, and media you post on Cedar. However, to keep this service running smoothly for everyone, you agree to not post the following:

- Illegal material or anything promoting illegal acts.

- Harassment, hate speech, threats, or doxxing
- Spam, automated bot attacks, or scripts that put strain on our servers
- Malware, viruses, or links intended to compromise other users of this service

We reserve the right to remove any post, suspend any account that breaks these rules, or content the authorities depending on the situation

4. Data & Privacy Overview

We collect minimal data, just what's necessary to run the site (like your username, hashed password, email if provided, IP Addresses, and device model names for security logs). We will never track you across other websites, and will never sell your data to third parties.

5. Account Termination

You can delete your account at any time through your profile settings. We may suspend or terminate your access if you breach these terms or engage in any activities that harms the server infrastructure or the community.

6. Changes to these Terms

If we make major updates to the terms, we will alert you in the app and change the date at the top of this document. Continued use of Cedar after changes are posted means you agree to the terms of this document
